RAMA INTERNATIONAL SCHOOL JUNIOR COLLEGE, WASHIM

Established on **7th November 2019**, Rama International School, Washim, is a vibrant learning community where values meet vision and potential meets purpose. We are committed to nurturing confident, compassionate, and responsible learners through academic excellence, innovation, experiential learning, and **value-based education**.

Our holistic approach blends academics, sports, arts, technology, and life skills, empowering every child to discover their potential, think creatively, lead with integrity, and become a responsible global citizen

Vision

To empower students with knowledge, character, and compassion, transforming them into thoughtful leaders and global citizens who contribute meaningfully to society.

Mission

- Provide a value-integrated curriculum that balances academic excellence with emotional intelligence.
- Foster innovation, inquiry, creativity, and lifelong learning.
- Create a respectful, inclusive, and child-centric learning environment.
- Promote experiential and collaborative learning for holistic development.

Message from the President

Adv. Vijayrao Jadhao
President

"At Rama International School, we do not just educate minds—we shape futures."

It is my privilege to serve an institution that believes every child is born with limitless potential. Our mission is to nurture young minds in a safe, inclusive, and inspiring environment where students grow intellectually, emotionally, socially, and ethically.

Education, for us, goes beyond textbooks and examinations. We strive to develop confident learners, compassionate individuals, resilient leaders, and responsible global citizens. Through innovative teaching practices, personalized learning experiences, and value-based education, we empower every student to think critically, act with integrity, and embrace lifelong learning.

Our dedicated educators, supportive parents, and committed management work together to create a vibrant learning community where excellence and character go hand in hand.

As we continue our journey towards educational excellence, we remain steadfast in our commitment to uphold the highest standards while staying true to our values and vision. Together, let us inspire every child to dream big, achieve more, and contribute meaningfully to society.

Director's Message

Ram Vijay Jadhao
Director

"Value based Education" – This is not just our motto; it is the soul of our school.

At Rama International School, we envision education as a journey of transformation. Our goal is not only to achieve academic excellence but also to ignite curiosity, creativity, confidence, and a lifelong passion for learning.

We believe that true learning happens through exploration, innovation, and experience. Our activity-based and student-centered approach encourages children to think independently, ask meaningful questions, solve real-life problems, and develop the skills needed for a rapidly changing world.

Beyond academics, we focus on nurturing moral values, leadership qualities, discipline, empathy, and social responsibility. Every child is encouraged to dream fearlessly, discover their unique strengths, and grow into a confident individual with integrity.

Together—with our dedicated teachers, supportive parents, and enthusiastic students—we continue to build a learning ecosystem where every child is inspired to excel, empowered to lead, and prepared to shape a brighter future.

Principal's Message

Mrs. Sunita Bodkhe
Principal

Educational Tour Report

As part of its commitment to holistic education, Rama International School, Washim organized a two-day Educational Tour during the academic year 2025–26. The tour was designed to provide students with experiential learning beyond the classroom, enabling them to connect textbook knowledge with real-life experiences. Being the school's first-ever educational tour, it generated great enthusiasm among students, teachers, and parents alike. The entire programme was meticulously planned with a strong emphasis on safety, discipline, and educational value.

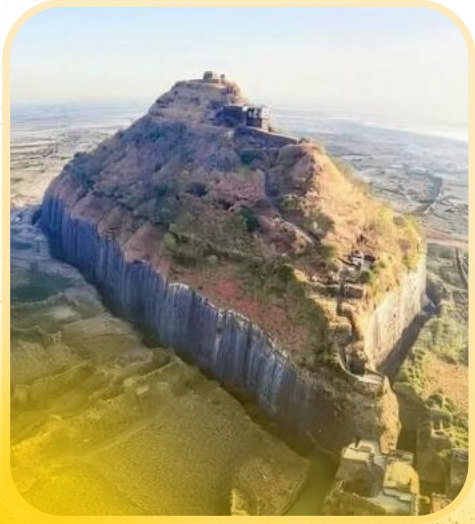

Historical Places...

The educational tour covered several historically, culturally, and spiritually significant destinations, including Ajanta Caves, Bhadra Maruti Temple, Grishneshwar Jyotirlinga Temple, Ellora Caves, Kailasa Temple, Daulatabad Fort, Siddharth Garden & Zoo, and Bibi Ka Maqbara. Each destination offered students a unique opportunity to explore India's rich heritage while developing a deeper appreciation for its history, architecture, art, and cultural diversity. Throughout the journey, students actively observed, interacted, and learned through guided discussions and practical experiences.

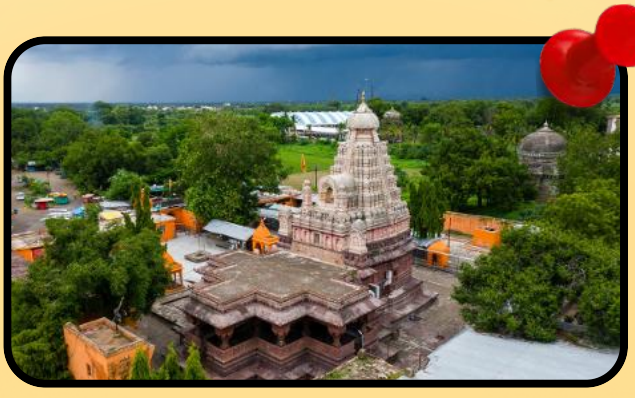

Ajanta Caves

The visit to the Ajanta Caves was one of the most memorable experiences of the tour. Students witnessed the world-renowned Buddhist cave paintings and sculptures that reflect the artistic excellence of ancient India. They learned about the historical significance of the caves, the evolution of Buddhist art, and the remarkable techniques used in creating the murals.

Grishneshwar Jyotirlinga Temple

At Bhadra Maruti Temple and Grishneshwar Jyotirlinga Temple, students experienced India's rich spiritual traditions and religious heritage. The serene atmosphere, devotional practices, and historical significance of these sacred places helped students understand the importance of faith, discipline, tolerance, and cultural values.

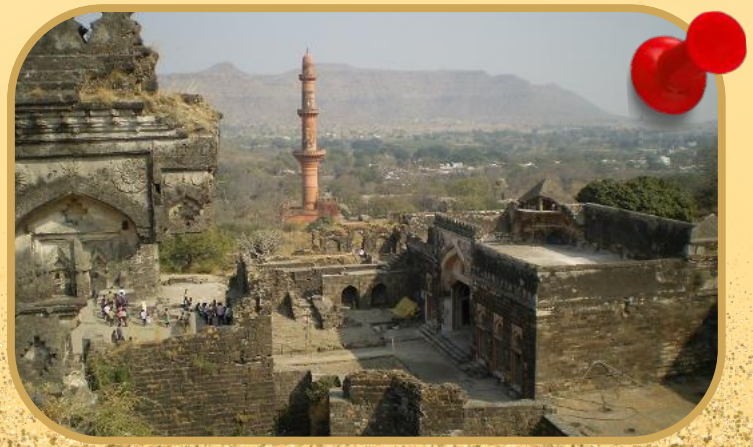

Elora Caves

The visit to the Ellora Caves and the magnificent Kailasa Temple proved to be an extraordinary learning experience. Students were fascinated by the breathtaking rock-cut architecture and intricate sculptures carved from a single monolithic rock. They learned about the coexistence of Buddhist, Hindu, and Jain monuments within the same complex, symbolizing India's long-standing tradition of religious harmony and unity. The engineering brilliance and artistic perfection displayed in the Kailasa Temple inspired students to admire the achievements of ancient Indian craftsmen and architects.

Daulatabad Fort

The tour continued with a visit to the historic Daulatabad Fort, where students explored the medieval defense system, military architecture, and strategic planning employed during ancient times. The fort's unique passages, defensive structures, and architectural design provided valuable insights into India's military history. Students also demonstrated enthusiasm and teamwork while exploring the fort, making the experience both educational and adventurous.

BIBI KA MAQBARA

The final destination, Bibi Ka Maqbara, introduced students to the elegance of Mughal architecture. The symmetrical design, marble dome, beautifully landscaped gardens, and impressive structural planning helped students understand the architectural achievements of the Mughal era. The visit complemented their understanding of different historical periods and enriched their appreciation of India's diverse architectural heritage.

Siddharth Garden and Zoo

A refreshing visit to Siddharth Garden and Zoo enabled students to observe a wide variety of animals, birds, reptiles, and plant species. This experience increased their awareness of biodiversity, wildlife conservation, and environmental protection. The natural surroundings encouraged students to appreciate the importance of ecological balance and the need to preserve nature for future generations.

SPORTS DEPARTMENT REPORT

Introduction

The Sports Department of Rama International School, Washim is dedicated to the holistic development of students through physical education and sports. During the academic year 2025–2026, the department successfully organized various sports activities, inter-house competitions, talent identification programs, and participation in Taluka and District level tournaments. These initiatives helped students develop physical fitness, discipline, leadership, teamwork, confidence, and sportsmanship

Objectives of the Sports Department

The Sports Department aims to promote physical fitness, encourage active participation in sports, identify and nurture sporting talent, develop leadership qualities, build confidence, and prepare students for higher-level competitions. Equal opportunities are provided to all students to participate in sports and physical activities.

Annual Sports Week

The Annual Sports Week was organized from 29th December to 3rd January, providing students with an excellent platform to showcase their athletic abilities. Conducted through the House System, the event featured a variety of indoor and outdoor competitions, fostering healthy competition, unity, leadership, and sportsmanship among students

Open Chess Tournament

In collaboration with GH Raisoni University, Amravati, the school successfully organized the 1st Rama International School Open Chess Tournament. The tournament attracted participants from various schools across the state and provided students with an opportunity to enhance their strategic thinking, concentration, and decision-making skills.

House System

The House System, comprising Red, Green, Yellow, and Blue Houses, played a significant role in encouraging healthy competition and leadership among students. House Masters and House Captains guided their teams throughout the Sports Week, promoting cooperation, responsibility, and discipline.

Parent-Teacher Meeting (PTM)

Rama International School conducted Parent-Teacher Meetings (PTMs) during the academic year to strengthen the partnership between parents and teachers. The meetings provided an opportunity to discuss each student's academic performance, attendance, behaviour, and participation in co-curricular activities.

Teachers shared individual feedback, highlighted students' strengths, identified areas for improvement, and suggested strategies to support learning at home. Parents actively participated in the discussions, shared their observations, and collaborated with teachers to ensure the holistic development of their children.

The PTMs reinforced the school's commitment to maintaining open communication with parents and creating a supportive environment that promotes the academic, personal, and social growth of every student.

Achievements

The Sports Department celebrated several notable achievements during the year. Along with the District Level Swimming achievement, school students Miss Kalyani Navghare and Miss Tanishka Bhisade emerged as winners in the School Group category of the 1st Rama International School Open Chess Tournament, bringing laurels to the school.

Outstanding Achievement

Naitik Keshav Gavhane, a talented student of OUR SCHOOL, brought laurels to the school by securing two medals—Silver and Bronze at the Karate State Championship. His remarkable achievement reflects his dedication, discipline, perseverance, and sporting spirit. The school community proudly congratulates Naitik on this outstanding accomplishment.

Dental Check-up Camp

On the occasion of the birthday of Adv. Vijayrao Jadhao, President of Shri Vyankatesh Seva Samiti, Rama International School organized a Dental Check-up Camp for its students as part of its commitment to promoting health and well-being.

The camp was conducted by a team of qualified dental professionals who examined the oral health of students and provided valuable guidance on maintaining proper dental hygiene. Students were educated about correct brushing techniques, healthy eating habits, and the importance of regular dental check-ups to prevent oral diseases.

The initiative aimed to create awareness about oral health from an early age and encourage students to adopt healthy habits for a brighter and healthier future.

Saturday Special Activities

Every Saturday, our school organized engaging and theme-based activities for Pre-School students (Nursery, Jr. KG., and Sr. KG.) as part of our Saturday Special Activities program. Throughout the academic year, children enthusiastically participated in activities such as Yellow Day, Green Day, Rainy Day, Fruits Day, Vegetable Day, Water Play Day, Storytelling, Art & Craft, Music & Dance, Yoga, and Fancy Dress.

These activities provided joyful learning experiences that fostered creativity, confidence, communication skills, social interaction, and overall personality development. By combining fun with education, every Saturday became a memorable opportunity for experiential learning and holistic growth.

Mathematics Day Competitions

On the occasion of National Mathematics Day, Our School organized a series of engaging competitions, including the Table Recitation Competition, Mathematics Rangoli Competition, and Mathematical Project Competition. These activities aimed to strengthen students' numerical abilities, logical thinking, creativity, and problem-solving skills. Through table recitation, creative rangoli designs based on mathematical concepts, and innovative mathematical projects, students explored mathematics in an enjoyable and practical way, fostering analytical thinking, teamwork, and a deeper interest in the subject.

Mathematical Project Competition

Mathematics Rangoli Competition

Table Recitation Competition

Scholarship Examination Achievement

Rama International School takes pride in the outstanding performance of its students in the Scholarship Examination. During the academic year, two students qualified for the Scholarship Examination, reflecting their hard work, dedication, and academic excellence. This remarkable achievement showcases the school's commitment to nurturing young talent and encouraging students to strive for excellence in competitive examinations. The school congratulates the successful students and wishes them continued success in their future academic endeavors.

Special Day Celebrations and Competitions

At Rama International School, Washim, various competitions and engaging activities were organized on different special days throughout the academic year. These events provided students with opportunities to showcase their talents, creativity, knowledge and skills. Competitions related to art, culture, academics and other themes were conducted with great enthusiasm and participation. The winners were felicitated and appreciated for their achievements, motivating them to perform even better in the future. These celebrations helped students develop confidence, sportsmanship, teamwork and a spirit of healthy competition.

Mathematics Rangoli Competition

Mathematical Project Competition

Participation in Competitive Examinations

Rama International School encourages students to participate in various competitive examinations to enhance their academic knowledge, logical reasoning, and analytical skills. During the academic year, a large number of students enthusiastically appeared for the Jawahar Navodaya Vidyalaya Selection Test (JNVST), Elementary Grade Examination, and Science Olympiad Foundation (SOF) – International Mathematics Olympiad (IMO). Participation in these examinations provided students with valuable exposure to competitive learning, strengthened their conceptual understanding, and motivated them to achieve academic excellence.

SUMMER CAMP

A JOURNEY OF LEARNING AND FUN

Rama International School, Washim, organized an enriching Summer Camp that offered students a wonderful blend of knowledge, creativity, physical fitness and entertainment.

The camp featured a variety of educational and engaging activities, including Astronomy, Abacus, Yoga, Chess Practice, Indoor and Outdoor Games, and other knowledge-based programmes. During the Astronomy Session, students learned about stars and celestial objects, their names and significance, and how to observe the sky through a telescope. These activities encouraged curiosity, logical thinking, concentration and scientific awareness among students.

The Summer Camp was further honoured by the visit of Education Officer Mr. Sasane Sir, who observed the activities conducted at the school and appreciated the efforts taken by the school to provide students with meaningful and activity-based learning experiences. His words of appreciation served as encouragement for the school management and teaching staff to continue organizing innovative educational programmes for the holistic development of students.

The camp proved to be a valuable learning experience, helping students explore new interests, develop essential life skills and make lasting memories beyond the classroom.

SUMMER CAMP

A JOURNEY OF LEARNING AND FUN

SUMMER CAMP MEMORIES

Earn and Learn

As part of the Earn and Learn initiative, students participated in diya-making and rakhi-making activities. Special workshops were organised where students enthusiastically prepared and decorated diyas and rakhis using their creativity and artistic skills. These handmade products were then displayed and sold, giving students practical experience in entrepreneurship, marketing, and financial management.

The school also organised an Anand Mela, providing students with a platform to showcase their talents, prepare and sell various products, and develop communication, business, and money-management skills. The event created a joyful atmosphere and helped students understand the importance of hard work, cooperation, and entrepreneurial thinking through hands-on experience.

oth activities promoted experiential learning and helped students develop confidence, creativity, and essential life skills.

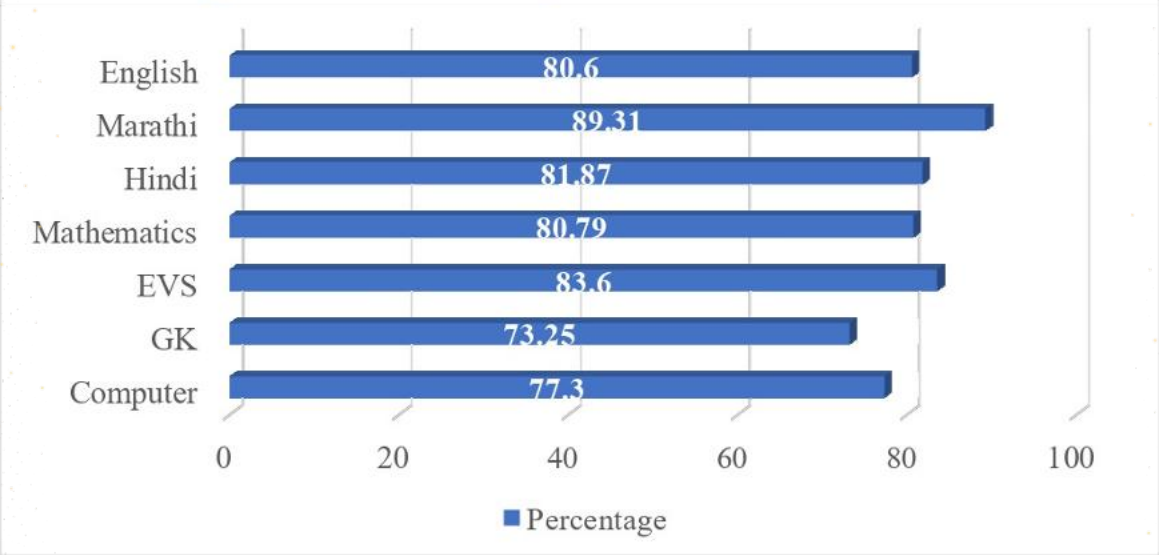

ANNUAL EXECUTIVE OVERVIEW

Institutional Performance & Progression Highlights

Total Academic Strength: 178 students enrolled across Grades 1 to 7 (104 Boys, 74 Girls).

Cumulative Pass Percentage: 99.4% school-wide across all four academic assessment cycles.

Premier Cohort: Grade 1 recorded 0 students below the B2 grade across the session, with over 70% of learners attaining A1 or A2 brackets.

Primary-to-Middle School Transition: A distinct performance dip emerges starting in Grade 4 and culminating in Grade 6 (cumulative class averages decline from 80.60% in Grade 1 to 58.74% in Grade 6 Mathematics and 42.06% in Grade 6 English).

Grade	English	Marathi	Hindi	Math	Science / EVS	Social Science / GK	Computer	Cohort Status
Grade 1	80.60%	89.31%	81.87%	80.79%	83.60%	73.25%	77.30%	Outstanding
Grade 2	74.83%	73.84%	71.86%	77.56%	76.62%	69.95%	65.92%	Very Good
Grade 3	69.45%	70.93%	68.80%	72.80%	73.03%	69.21%	63.46%	Good
Grade 4	63.35%	66.82%	67.58%	64.39%	70.36%	55.45%	56.57%	Focus Needed
Grade 5	62.46%	74.15%	74.53%	66.86%	67.89%	65.01%	63.45%	Moderate
Grade 6	42.06%	63.02%	63.36%	58.74%	61.94%	58.78%	59.48%	Critical Focus
Grade 7	57.51%	63.33%	58.44%	58.75%	65.45%	59.39%	65.65%	Moderate
